Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 28 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold with wintry showers and patchy frost and ice.

This Evening and Tonight:
Scattered showers, wintry inland, continuing across the northeast this evening, but tending to ease overnight. Otherwise, it will be dry with occasional clear spells. It will be another cold night and patches of frost and ice are likely to form. Minimum temperature -1 deg C (30 deg F).

Monday:
A few showers will still be possible across the northeast, otherwise it will be dry with bright or sunny spells. Cloud and patchy rain spreading in during the evening. Maximum temperature 5 deg C (41 deg F).

Outlook for Tuesday to Thursday:
Cloudy and mild Tuesday with some patchy rain in the morning. Further rain overnight, clearing Wednesday morning. Then colder, with showers and brisk winds in northeast but sunny spells too.
